

ECO FLOOR CLEANER

PRODUCT DESCRIPTION

EU-Ecolabel certified cleaner for periodic cleaning of floors in commercial premises, schools, shops and sports facilities. EU-Ecolabel Licence No. NL/020/038.

FEATURES & BENEFITS

- Contamination such as grease, carbon, rubber and carbon black is easily removed.
- Safe to use on water- and alkali-resistant floors such as linoleum, vinyl and tiles.
- Leaves a wonderful shine on the treated floor.
- Cleans without streaks.
- No need to rinse.

USAGE

Suitable for manual cleaning (mopping, scrubbing). Depending on the contamination and surface, dilute 0.5%-2% (1:200-1:50). Using hot water increases the cleaning power. Rinsing is not necessary. Do not step on the floor before it is completely dry.

STORAGE

Keep package tightly closed and store under cool, but frost-free temperatures.

RECYCLING

The empty packaging can be fully recycled if rinsed with water. Disposal through the proper channels.
